That might have been just legal manoeuvring, but the question will eventually arise: who gets to decide what appears on the Metaverse? Given Roblox's significant audience of under-13s, the company is understandably keen on safety, employing over 3,000 people around the world to screen for inappropriate content. That is good news if you're a parent, but bad if you're a creator in a hypothetical future where a moderated Metaverse becomes the primary conduit for entertainment consumption and your work is judged sufficiently inappropriate.

Roblox has a means for reporting abuse if you believe someone is running a Roblox scam, such as giving the information for your account to another person to do deals for you.

Roblox has some of the best games launched online on it. The games provide you with unique elements that allow players to find their own creative way of playing.

Roblox has 43 million daily active users, Fortnite 25 million, and Facebook Oculus-powered Horizon could potentially tap into billions. All of them might style themselves as Metaverses, but they are not – yet – interoperable with one another. This is an aspect that Bartle feels is antithetical to his definition of the thing. “You can't have a Metaverse, you have to have the Metaverse,” Bartle says.

It's a good way to spark creativity and make a little bit of spending currency on the side, too. If you make a particularly popular design the Robux will start to flow in before you know it.

As with many other free-to-play games, Roblox also contains a microtransaction system. The in-game Roblox

currency is known as Robux and it can be obtained using real money. Robux can be used for a variety of things, for buying cosmetics, and many other things.

That's everything you need to know about whether or not you can play Roblox for free. We also have a few other guides that explain things like the recommended age for Roblox players, and even how to play Roblox on Oculus Quest 2.
